

THE CRANBROOK ARCHIVES, MUSEUM AND LANDMARK FOUNDATION

28th Annual Meeting
2004

Thursday, February 26, 2004 - 7 pm at the Prestige Hotel Location - Sam Steele Room

* Light refreshments available

* Special display on potential restoration of Car # 52 (earliest CPR car built - 1882) by Peter Carniello

* Brief Annual Business Meeting, Reports, & Election of (half of) Board

* Brief Audio-Visual Presentation on accomplishments in 2003 and goals for 2004

* An up-date on the Museum Grand Opening plans for this Labour Day weekend.

* Evening expected to be over about 8:30 pm

* Special tour of the completed rooms surrounding the Royal Alexandra Hall will be done after the meeting for interested persons.

* Please call the Museum at 250-489-3918 to confirm your attendance

(FUTURE) MARCH/2004 NEWSLETTER NOTE:

* A regular full size newsletter will be sent to members in March after completion of the new Museum facilities and the "soft opening" of the Royal Alexandra Hall. This special newsletter will provide visual details of the new facilities and provide information on number of other topics. The intention of the above notice is only to advertise the Annual Meeting

* **The Grand Opening of the Museum** is scheduled for the Labour Day weekend, Sept.3 - 6, including steam train rides between Fernie and Cranbrook on Fri. Sept.3 (Fernie - Cranbrook) and Sat. Sept.4 (Cranbrook - Fernie). The restored Canadian Pacific Railway steam locomotive #2816 will be used for this excursion with seats available for paying passengers.

Phone the museum for more information on tickets.

* Details will also be presented on the successful **exterior brick facade campaign** completed last fall, and the progress of the **interior room completion campaign** currently underway.
